

Do you already own a set of Iron Clays and you want to upgrade your set to one of the pledge levels offered in this campaign? We got you covered. **Pledge for an upgrade set with the following steps:**

- 1) Find the table below that matches the set(s) of Iron Clays that you current own.
- 2) Look under the “Amount to pledge (CAD)” column.
- 3) On the Kickstarter campaign page, select the “Upgrades & Add-ons” level and enter in the Canadian dollar value shown in your upgrade path’s “Amount to pledge” column. If you have a question, don't hesitate to email us at ks@roxley.com.

Color Key: [Ideal upgrade - minimal amount of leftover chips] [Moderate amount of leftover chips] [A large amount of leftover chips]

What I currently own:					
Nothing

The below table shows what is included in each of the upgrade paths, as well as how many remainder chips you will have after you upgrade. You may not be ok with the number of remainder chips you are left with after upgrading.

Our recommended upgrade paths are:

- 1x Brass Deluxe, upgraded to 100 - Remainders: Nothing!
- 2x Brass Deluxe, upgraded to 200 or 400 - Remainders: 16 x "5s"
- 1x Iron Clays 100, upgraded to 200 or 400 - Remainders: 10 x "10s", 10 x "100s".
- 2x Iron Clays 100, upgraded to 400 - Remainders: Nothing!

Color Key: [Ideal upgrade - minimal amount of leftover chips] [Moderate amount of leftover chips] [A large amount of leftover chips]
